4B Speaking Test

On or before **Thursday, October 13, 2016** you are going to call this phone number **(1-508-794-5015)** and leave me a message of you speaking in Spanish. This will be your first **test grade!**
Your message must be at least 30 seconds but no longer than 45 seconds.
You only have **one opportunity** to record your message!

At the end of the message, your **parent/guardian** needs to get on the phone to state their first and last name and to state that you left me the message **without using any notes** or you will receive a zero.

On your message, you should be sure to include the following information:

1. An introduction. Say hello and **state your Spanish first name and your last name!**
   (This is critical for me to know who you are!)
2. ¿Qué te gustaría hacer esta semana? - Name **at least three activities** you would like to do.
3. ¿Adónde quieres ir? - **Where** are you going to go to each of these three activities?
4. ¿A qué hora quieres ir? - What **day and time** are you planning on doing these activities?
5. ¿Con quién? - **Who** do you plan on doing each activity with?
6. At least one example of **ir + a + infinitive**

You will be graded based on the speaking rubric on the back of this assignment.
You must also pass in a written, final draft of what you said by Friday, October 14, 2016.
Please write the phone number you called me from on your final draft!

In order to prepare you for this test, you should fill out the graphic organizer that I gave you in class. Then, try to write out and memorize what you want to say in the space below:
